

PROGRESS REPORT

Measuring the impact of your YMCA investment on the lives of children and families • 2017

WE BELIEVE EVERY CHILD DESERVES TO GO TO CAMP – REGARDLESS OF THEIR ABILITY TO PAY.

Each summer, YMCA Camp Hanes welcomes hundreds of local children to experience the magic of summer camp. Without your investment, it wouldn't be possible. Campers learn new skills, gain confidence and make new friends. Whether they attend day camp or experience a week-long resident camp adventure, these campers learn from caring role models and make memories that will last a lifetime.

Thanks to your generosity, our Annual Giving Campaign surpassed our goal to help even more children in need. With your support, our Board of Managers and their team of passionate volunteers raised more than \$265,529. The best part - 100% of your donation helped children and families right here in our community!

Make a Difference

Parents want the best for their children. But when the family finances are tight, that can feel impossible. This summer, a mother contacted YMCA Camp Hanes to see if she was able to afford day camp for her daughter. She had heard the program was excellent and knew it would be a good fit, but the cost seemed insurmountable. She and her daughter decided to visit Camp and immediately fell in love. By the time, they reached the office the mother was visibly upset. She shared how much it would mean to their family for her daughter to attend day camp, but didn't think they could afford an opportunity like YMCA Camp Hanes.

After working through the financial assistance process, the mother was able to reach a payment plan that would work for their family. Her daughter was able to join in day camp activities that very day. Her mother was relieved her daughter would be safe and have fun. She was able to return to work with no worries of finances, safety and love. In addition to that, her daughter had a wonderful time

making friends and learning new things. She even made a new friend and progressed a level in swimming. A summer that started in sadness and disappointment, was quickly transformed into smiles and lifelong memories thanks to generous donors like you.
