YMCA CAMP HANES

Day Camp Parent Packet 2020

TO THE PARENTS OF CAMP HANES DAY CAMPERS:

Thank you for enrolling your child in our Summer Day Camp program. Inside this packet you will find information regarding the procedures and practices of our YMCA Day Camp program. We look upon everything we do in camp through the eyes of a parent. Safety, fun, and growth opportunities are our greatest focus. We want your child to be ready to make new friends, try new activities, and grow while having fun in a positive environment.

To ensure we are providing the best possible care, we ask you complete paperwork before the first day of camp.

1. The Medical Form must be completed online or paper version and be returned to the camp office two weeks prior to your camper's session.
2. Finally, we ask you provide candid and complete information on the Camper Information form so camp staff may meet your child's needs effectively.

These forms will provide us with the information needed to provide an unforgettable experience for your camper. If you have any questions with the forms, please do not hesitate to contact me at 336-983-3131 or by email at m.mccallum@ymcanwnc.org. Please look over this packet so we can begin to work together to create an exciting, unforgettable summer experience for your child.

Sincerely,
Monica McCallum
Day Camp Associate Director

BUS PROCEDURES & RULES

Campers must be signed in and out by a parent or guardian each morning and afternoon. In the afternoon before campers can get off of the bus the parent/ guardian must give counselors the code word on file and sign the camper out. In order to change pick up/drop off point, you must submit the change in writing to counselors at least one route prior to change. Before leaving camp in the afternoon, roll will be taken on each bus to ensure each camper is on the correct bus.

Camp counselors on each bus will have all contact information of campers in case of emergencies. In addition to the driver, any bus carrying campers will carry a camp staff member who has been trained in safety responsibilities and group management. An additional counselor will be present on buses in the event of a camper with any mental or physical disability. Campers are expected to follow rules of both bus driver and camp counselor during their trip to and from camp. Failure to follow bus rules will result in camper's expulsion from bus for duration of their week.

Volume and behavior will be maintained by the camp counselors on the bus. Fighting of any kind or profanity will not be tolerated and will be cause for immediate expulsion from the bus for the remainder of the week.

1. Two campers to a seat
2. Campers should sit with partners of the same gender
3. Campers should sit youngest to oldest (youngest in front to oldest in back)
4. No standing while bus is in motion
5. Keep hands and arms inside the bus
6. Do not throw objects of any kind out the windows

10. Campers must remain on bus until signed out by parent or guardian
11. Emergency exit must remain closed unless an emergency occurs
12. Food and drink is permitted as long as trash is properly disposed of, please no snacks containing peanuts or tree nuts.
13. Fighting, teasing, or any type of bullying will not be permitted

Campers are assigned sections on the bus based on their age. Campers between the ages of 6-9 will occupy the seats up front, 10-12 will occupy middle seats, and campers 13-15 will occupy the seats in the back of the bus. Campers sit on the bus with members of the same gender and age group. Siblings may sit together provided the older sibling joins the younger sibling in their assigned section. Campers over the age of 9, who would prefer to sit up front, may do so.

Campers are allowed to enjoy snacks and beverages while on the bus. We do ask that snacks be peanut and tree nut free, following our camp policy. Please remind campers how important it is to never throw items out the window during bus rides. A healthy snack will be provided to each camper at camp in the afternoon. It is a good idea to encourage campers to bring water bottles to fill up before boarding the bus.

Our goal is to make the bus ride as enjoyable for campers as possible, thus games, books, toys, and electronic devices will be permitted on the bus, provided the campers understand and agree once at camp, electronic devices must be put away or given to the counselors for safe keeping.
